Be limitless.
The online MBA from Marquette

Elevate your career trajectory with the online MBA program from the Marquette University Graduate School of Management. Master core business knowledge essential to succeed in any field, enhance your effectiveness with a confident and principled management mindset, and increase your appeal on the job market with an MBA from a respected leader in business education.

At Marquette, you will enhance your marketability and bolster your workplace capabilities without leaving your full-time job or disrupting your career. Regardless of your location, your current industry or your schedule, the online MBA can take you where you want to go.

Admissions requirements
- Four-year bachelor’s degree from an accredited college or university
- Minimum undergraduate GPA of 3.0 (on a 4.0 scale)
- Completed online application
- $50 application fee
  - Waiver available if applicant attends an information session or is a Marquette University alum
- GMAT or GRE score with an even distribution in the quantitative and verbal sections (waivers available)
- Unofficial transcripts may be submitted with your application; once admitted, official transcripts from past academic institutions will be required prior to registration
- Resume
- Two letters of recommendation (optional)
- No work experience required
- Personal statements (3) covering your career goals, your interest in the program and how the program will help you achieve your goals

Provisional admission may be offered to exceptional applicants who do not meet some of the above requirements.

International students applying to the online MBA program at Marquette may be required to participate in an admissions interview, must possess two years of full-time business experience and must submit the following additional materials:
- Two letters of recommendation (required)
- Official TOEFL or IELTS score

Electives (15 credit hours):
Elective courses cover specialized areas of business expertise and can help students tailor their experience in the online MBA program to their own industry and their personal career goals.

A variety of electives are offered every term. Visit our curriculum page for a list of available electives.

Specializations (12 credit hours, count toward 15 elective credits)

Students wishing to specialize in either Finance or Health Systems Leadership complete four courses of the MBA's five elective courses in their specialization track.

The Finance Specialization is built for professionals who want to deepen their business knowledge and plan to work in the finance sector or in a finance-focused role. Study bank management, real estate finance and investments, international financial management and take quantitative classes.

Embrace a supportive MBA experience

If there is one universal truth about career journeys, it's that no one can go it alone.

The Graduate School of Management at Marquette is committed to supporting our students personally, intellectually and professionally. Our business faculty take pride in their accessibility for individual consultation on course content and for professional mentorship. The Marquette Business Career Center connects all current students and alumni to networking opportunities, resume review services, career counseling, interview preparation, virtual job boards and more. And throughout the entirety of your time in the program, you’ll always have the available support of a dedicated student success coordinator.

Choose an online MBA program that stands by your side as you advance, grow and excel.

Enhance your value and your values

At Marquette, we believe an essential part of doing good business is doing good for your community and the world at large.

An ethical sensibility shapes our entire online MBA curriculum, from courses wholly focused on principled leadership and organizational behavior to the everyday emphasis on doing things the right way that infuses even the quantitative courses of the program. You will graduate from Marquette with a leadership style built on collaboration, openness and mutual respect, and an expansive strategic vision with eyes toward a greater good.

Step up to success at Marquette.
